

Final project proposal

Type	Master
Title	<i>Cloud HPC Online Laboratory</i>
Supervisor	Sashko Ristov
e-mail	sashko.ristov@finki.ukim.mk
Department / Group	
LIIT (Laboratory for Internet and Innovative Technologies)	
Topic(s)	
Cloud Computing, Education, HPC	
Project can start from	01.04.2014 – 01.03.2015
Project duration	4 months
Short description	
The student should develop an online laboratory that will provide the students with resources according to their needs in order to execute the HPC applications. This laboratory should have the education purpose, as well.	
Results and assessment	
The student should develop a prototype of the online laboratory where the students can login and learn or execute their HPC jobs.
